## THE INDUSTRY STANDARD FOR ULTIMATE POWER.

Now available from the Mica Lamp & Fan Co. is the ceiling fan industry's most powerful motor. † First developed as the "K55 Induction Style", and with decades of trouble-free use and technical advancements, this induction style motor has become the stalwart of ultimate power and smooth quiet efficiency. The Mica Lamp Co. has contracted to produce this motor style as the maintenance free POWERHOUSE 2020. Based on the "K55" our version comes with the latest rotor and stator upgrades, and a Lifetime Warranty.\* AND, combined with the POWERHOUSE 2020, is our industry leading 16 degree\*\* blade pitch to move more air!

† Model no. F101-01 (not affiliated with Emerson Co.)

\*\*5 blades 21" x 5.75"
