Any model of our BILLIARD COLLECTION will add the warmth of the American Arts and Crafts Era styling to your game room, bar and counter tops. Also known as "Mission", these authentic early 20th Century designs are made of solid copper\* and mica mineral, then finished with hand applied natural rich patina. Filigree overlays are of solid copper.

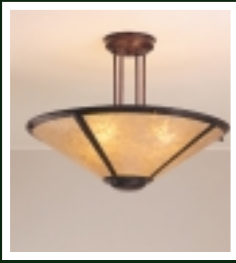

American craftsmanship and authentic American details. Made in our Glendale, California shop.

\*Grand Billiard shades are made of solid brass.

U.L. approved.
